

RJ12 6-pin Single Ended Cable

(Part#: CBL-RJ12-SGE)

Rev. B
April 2008
By Au Group Electronics

When the RJ12 6-pin Single Ended Cable (Part#: CBL-RJ12-SGE) is connected with Au Group Electronics BB0703/CB0703 (PICkit 2), the ICSP signal are defined as table 1.

Table 1

Pin #	Color Code	Signal
1	Blue	VPP
2	Blue in White	VDD
3	Green	GND
4	Green in White	ICSPDAT
5	Yellow	ICSPCLK
6	Yellow in White	AUX

Note: When this cable is used with other devices (e.g. Microchip ICD2, etc.), please always be aware that the ICSP pin-out definition may be different.
